

# R-Mix DN32 MODULES

CIRCULATION AND MIXED PUMPS MODULES FOR CENTRAL HEATING INSTALLATION

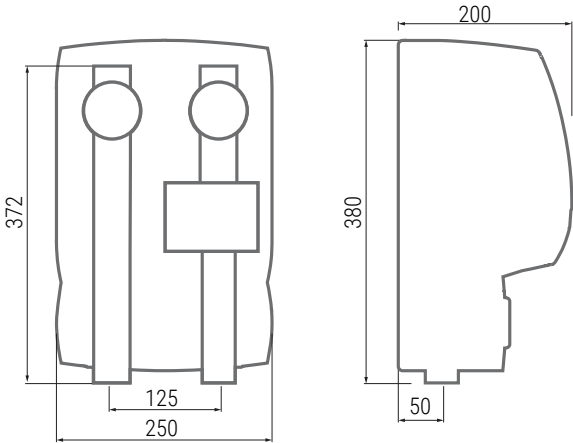

**APPLICATION**  
Heating water circulator and mixer for central heating installation

**MATERIAL**  
Circuitry, fittings and valves in brass material  
Case in PPE, for protecting and insulating the module  
Material used for components and accessories suitable for drinkable water according DM 174 dated 06.04.04 and Sect. 9 D.L. 31/2001.

**TECHNICAL INFORMATIONS**  
R-Mix module are modules designed for the circulation of heating water in closed central heating installations.  
The Mixed Unit version meets all the installation needs with specific models: middle and low temperature heating systems, need of energy metering, cooling systems; everything with the possibility of a management control by means of climatic controllers even built-

in the pump unit.  
The Module DN32 equipped with 2-Way pump unit and with 3-way mixing valve with electronic control for the constant temperature allows the maximum reliability in both Heating and Cooling.  
The motorized Module DN32 can vary the opening of the mixing valve in order to maintain the inlet water temperature constant allowing the prompt and balanced reaction of the mixer module.

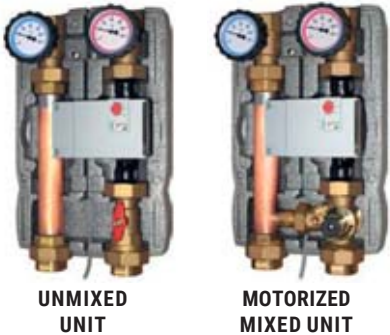

**WARRANTY**  
2 years warranty (1 year for electronic components)  
See general conditions for sales and warranty terms.

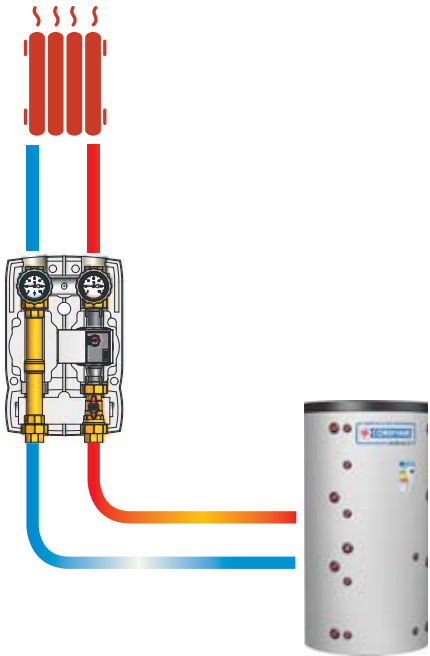

## R-MIX DN32

Model	ART. NR.
<b>UNMIXED UNIT</b>	3435316700024
<b>MOTORIZED MIXED UNIT</b>	3435316700025

**NOTE**  
For motorized mixed unit version please always specify Fixed limit Servomotor (see accessories below)

Model	Connections	Pump Head [mH <sub>2</sub> O]	Max Output [kW]	Max flow rate [l/h]	Kvs
Unmixed Unit	1" ¼	1÷8	111	4800	21
With motorized mixing valve	1" ¼	1÷8	76	4400	16

## Accessories on request

Fixed limit Servomotor

Art. Nr. 5221000000079

Wall fixing kit for module

Art. Nr. 5221000000080

Distributor for 2 x DN32 pump units

Art. Nr. 5221000000081

Distributor for 3 x DN32 pump units

Art. Nr. 5221000000082

Wall fixing kit for distribution headers

Art. Nr. 5221000000083
